

You can help a foster animal in need!

The cost of housing, food and veterinary care for our foster pets are supported by the generous contributions of concerned animal lovers. You can make a difference to a dog or cat that needs a loving home. While it's difficult to imagine, many pets each year are ignored, mistreated or abandoned. And the saddest thing is that they cannot speak for themselves. Your generous contribution can help foster these pets until they are placed in safe, clean adoptive homes with owners who want to share their lives with a loving pet. Without donations from people like you, such happy adoptions are not likely to occur. Please join us in our efforts to help our friends who can't help themselves. POPP, a registered 501(c) 3 organization, does not operate at a profit and we have no paid employees. ALL donations go directly to programs to benefit the pets in our care.

Donations are Tax Deductible

- Your donations will help us supply all the things we need: pet foods, collars, leashes, litter & boxes, bowls, cleaning, office and laundry supplies, veterinary expenses, and -the list goes on.
- We do not receive government money. We are a registered 501 (c) 3 non-profit charity and are dependent upon your caring contributions to help those who cannot help themselves.
- It is our policy to find a loving home for every adoptable pet, no matter how long it takes.
